

WIDOK Z PRZODU

The diagram shows the front view of a mechanical part. It consists of a long horizontal rectangular section with a cross-hatched pattern. The total length of this section is dimensioned as 850. On the right side, there is a smaller rectangular section, also with a cross-hatched pattern, which is dimensioned as 550 in width. To the right of this smaller section is a gap, dimensioned as 300. The entire assembly is shown in a perspective view, with green lines indicating the edges and dimensions.
